Smoke and Vape Free Workplace

(GEN7)

POLICY STATEMENT

At the New Orleans Regional Transit Authority (RTA), we are committed to providing a safe and healthy workplace and to promoting the health and well-being of its employees and patrons.

PURPOSE

In January 2015, the New Orleans City Council unanimously passed a new, comprehensive smoke-free ordinance. New Orleans RTA supports the efforts in making workplaces throughout New Orleans smoke-free. Smoking and vaping are prohibited on all agency premises to provide a safe and healthy environment for all employees and patrons.

APPLICABILITY

This policy applies to all employees who work for RTA. If a conflict occurs between this policy and a Collective Bargaining Agreement (CBA), the CBA will prevail.

Every RTA employee, RTA's contractors and members of the public must adhere to this policy relating to smoking of tobacco, cannabis, or other products while on RTA property, at bus stops or on RTA vehicles.

DEFINITIONS

"Smoking" refers to smoking or "vaping" cigars, cigarettes, electronic cigarettes, vaping devices, or pipes, and includes, but is not limited to, smoking or "vaping" any tobacco, cannabis, or other products.
