1. RTA Commissioner & CEO Welcome

2. Purpose of the Riders Advisory Committee (RAC)

The Riders Advisory Committee (RAC) provides a forum for riders and community members to engage directly with the Regional Transit Authority on issues affecting public transportation. Through discussion, feedback, and information sharing, the Committee helps identify rider priorities, improve communication between the RTA and the public, and support the agency's efforts to deliver safe, reliable, and accessible transit services.

3. June Meeting Follow-Up

Recap of key themes and follow-up actions from the June 10, 2026 Hurricane Preparedness discussion, including:

- Rider communications during emergencies
- Service restoration priorities
- Emergency preparedness resources
- Questions and feedback received from participants

4. Discussion Topic: New Orleans East Service Improvement Plan

Presentation and discussion regarding the New Orleans East Service Improvement Plan, including:

- Overview of the service improvement planning process
- Existing transit conditions and mobility needs in New Orleans East
- Community priorities and service challenges identified to date
- Discussion of potential service improvements and what riders would like to see in the future
- Next steps in the planning process and opportunities for public input
- Community feedback and questions

5. Open Discussion

Community members and riders are invited to share experiences, ask questions, and discuss transit-related issues and concerns.

6. Future Topics and Suggestions

Discussion of potential topics for future RAC meetings.

7. Looking Ahead: Next RAC Meeting Scheduled for August 5, 2026
