Signature	Ronald Gerard Baptiste
Date	April 02 2025

#### FOR PROCUREMENT USE ONLY

## **Type of Procurement Requested:**

# SC - State Contract

**Invitation for Bid (IFB)** This competitive method of awarding contracts is used for procurements of more than \$25,000 in value. The agency knows exactly what and how many of everything it needs in the contract, as well as when and how the products and services are to be delivered. The award is generally based on price.

#### ROUTING SHEET

**Request for Quote (RFQ)** This type of solicitation is often used to determine current market pricing. **Request for Proposal (RFP)** This approach to contracting occurs when the agency isn't certain about what it wants and is looking to you to develop a solution and cost estimate.

**Sole Source (SS)** this procurement can be defined as any contract entered into without a competitive process, based on a justification that only one known source exists or that only one single supplier can fulfill the requirements.

State Contract (SC) this procurement is via a State competitive procurement

**Two-step Procurment - request for qualifications** step-one used in the formal process of procuring a product or service, It is typically used as a screening step to establish a pool of vendors that are then qualified, and thus eligible to submit responses to a request for price proposal (RFP). In this two-step process, the response to the RFQ will describe the company or individual's general qualifications to perform a service or supply a product, and RFP will describe specific details or price proposals.

	Required if Total Cost above \$15K
