| Basic Bus Structure                                                | New Flyer of America       | 3     | 150,000   | Body, and body structure shall consist of the components that are mechanically fastened or adhesively bonded or glued as part of the structure                                                                                                                                                                                                                                                                                                                                                                          |
| Chassis Structure (Integrity)                                      | New Flyer of America       | 12    | 500,000   | Consists of all components that are welded together to form the main frame (skeleton) and body construction. The structural integrity guarantee covers against a significant loss of structural integrity of the assembly or its functional performance due to non corrosion related failures.                                                                                                                                                                                                                          |
| Chassis Structure (Corrosion)                                      | New Flyer of America       | 12    | 500,000   | Consists of all components that are welded together to form the main frame (skeleton) and body construction. The corrosion guarantee covers against a significant loss of structural integrity of the assembly or its functional performance, resulting from a pertinent loss of cross-section due to corrosion caused by normal environmental elements but excludes corrosion caused by aggressive road de-icers such as Magnesium Chloride or equivalents, unless New Flyer approved preventative measures are taken. |
| Engine                                                             | Cummins                    | 2     | Unlimited | All repairs/warranty claims need to be handled through the local authorized repair facility. When the 3 year extended warranty is purchased (5 years total) the following applies: Two Year Base (Full Coverage), years 3,4 & 5 covers components only as per manufacturer's warranty document.                                                                                                                                                                                                                         |
| Hybrid Drive                                                       | Allison                    | 2     | Unlimited | All repairs/warranty claims need to be handled through the local authorized repair facility. When the 3 year extended warranty is purchased (5 years total) the following applies: Two Year Base (Full Coverage), years 3,4 & 5 covers components only as per manufacturer's warranty document.                                                                                                                                                                                                                         |
| Axle (Front and Rear)                                              | MAN                        | 5     | 300,000   | Excluding maintenance items & items that are not covered by the OEM's warranty. All friction materials are excluded from this limited warranty. Wear and third party items supplied with the axle (e.g. slack adjuster, seals and bearings, shocks, air bellows, radius rods, brake chambers) are not included in the 5 year warranty. Please see manufacturer's warranty document.                                                                                                                                     |
| A/C                                                                | Thermo King                | 2     | Unlimited | Some limitations and exclusions may apply - Please see manufacturer's warranty document.
