**Subject:** Unit Price Breakdown

Tom,

Please see below for the breakdown of (2) unit prices provided for Change Order 1:

1. Items 1 – 4: Cropping and Renewing Various Sections of Hull Plating
  - a. Unit Rate = \$4.00 / #
    - i. Steel (plate & structure) = \$0.92 / #
    - ii. Consumables (welding / cutting gases, welding rods / wire, etc.) = \$0.18 / #
    - iii. Pre-fabrication (NC-cutting, bending, etc.) = \$0.55 / #
    - iv. Crop old sections from barge = \$0.65 / #
    - v. Fit new sections to barge = \$0.90 / #
    - vi. Weld = \$0.80 / #

Please note that, due to current volatility in steel prices, steel prices have already increased since we submitted the proposed costs for Change Order 1. Even with the increased steel price, we will honor our original quote if Change Order 1 is approved by Thursday, May 20<sup>th</sup>.

2. Item 6: Renew Remaining External Coatings
  - a. Unit Rate = \$3.90 / square foot
    - i. Blast barge = \$0.55 / sf
    - ii. Paint barge = \$0.85 / sf
    - iii. Paint & thinner = \$1.15 / sf
    - iv. Consumables (blast media, power, natural gas, misc. paint supplies) = \$1.35 / sf

Please let me know if you have any questions.

Best,  
Michael
